**TARGETED: Forest Drive Co-op Man, 29, is accused of robbery at Co-op store**

A MAN has been charged in connection with a late-night knife-point robbery at a Chelmsford convenience store.

David Cadey, 29, of no fixed address, is accused of robbery and criminal damage after £85 was taken from the Co-op store, in Forest Drive, on Monday evening.

A spokesman for Chelmsford Star Co-operative Society said: "At 9.55pm on Monday, January 25, a white man in his late 20s entered the store wearing a grey track suit, blue hood and a scarf around his face.

"He approached the checkout and asked for cigarettes and then showed the general assistant behind the counter that he had a knife inside his jacket.

**Calmly**

"The assistant calmly opened the till drawer and handed over £85, which was all there was as the tills are emptied of cash on a very regular basis.

"The police were immediately contacted and duly arrived at the store within 10 minutes. The assailant was arrested by police a little time later.

"The general assistant in the store was shaken but not hurt and the Society's HR department are handling the situation."

Cadey appeared at Chelmsford Magistrates' Court yesterday morning.

The incident comes just two weeks after Seeleys Newsagents, in Wood Street, was robbed by a man armed with a blade.
